

Innovation Days

a Pharma, Biotech & Medtech Event 2016

Where Innovation Providers
& Innovation Developers meet

OCTOBER 3 & 4, 2016

Maison de la chimie - Paris

THE INTERNATIONAL LIFE SCIENCES INNOVATION B2B EVENT IN PARIS

- Meet potential partners, customers and develop your client portfolio.
- Schedule one-to-one business meetings thanks to our Partnering platform.
- Behold our 8th edition of Innovation Prize Award Ceremony.
- Attend a comprehensive cycle of conferences to develop and promote your innovative project in Life Sciences.

EXTEND YOUR KNOW-HOW FROM THE FOLLOWING CONFERENCES

- How is the Life Sciences field doing?
- How business developers and business providers can meet together?
- How to maximize the best outcome from your innovation?
- How to finance your innovative project?
- How to promote and sell your innovation?
